1. Charles W. Ardery Memorial Child Welfare Trust Fund (hereinafter called “program”) claim application forms are available from Voiture Nationale, or can be printed off the internet by accessing <http://www.fortyandeight.org/ardery-trust-fund>.

2. The program claim application form specifically states the following.

*“The primary function of the Charles W. Ardery Trust fund is to provide reimbursement of funds expended by a Voiture Local or Grand, in meeting the emergent needs of children 17 years old or younger.”*

3. For the purpose of the program, the term “emergent” is defined as;

*“A situation which has developed of a serious nature, which demands prompt action.”*

4. For the purpose of the program, a situation is an event that is;

*“... caused by natural disasters, flood, tornado, hurricane, fire, volcano, etc. Additionally, those situations caused by society may be considered. For example: loss of parental support, inability of civil agencies to act, civil disaster, etc.”*

5. Voiture Locale claims, **MUST** be submitted through the applicable Grand for signature and approval or disapproval recommendation. The Grand is required to submit **ALL** Voiture Locale originated claims regardless of recommendation, to Voiture Nationale. Grand originated claims should be submitted directly to Voiture Nationale.
6. Program claims are currently limited to \$300.00 per individual child, with a maximum claim limit of \$1,000.00 per single family. However, the established claim limits are discretionary and may be waived if, in the opinion of the Disbursement Board majority, the facts and circumstances of the situation warrant such action. In such instances, discretionary consideration will be exercised, if specifically requested in advance by the applicable originating Voiture or Grand. If requested, discretionary action will be based totally on the facts and circumstances of the situation, as explained by the claim, and exceptionally justified by the documentation and evidence submitted, at the time of the claim.
7. The total amount of program claims that can be approved for any single Grand is limited to \$5,000.00 per program year. Once a Grand reaches the \$5,000.00 limit, the Disbursement Board will accept no further claims from the Grand, regardless of the originating Voiture Locale. Once a Grand reaches the established program limit, any claim(s) received by Voiture Nationale from the Grand, will be returned without Disbursement Board consideration. However, the Grand limit is discretionary and can be waived if, in the opinion of the Disbursement Board majority, the facts and circumstances of the situation warrant such action. In such instances, discretionary consideration will be exercised, if specifically requested by the applicable Grand. If requested, discretionary action will be based totally on the facts and circumstances of the situation, as explained by the claim, and exceptionally justified by the documentation and evidence submitted, at the time of the claim.
