

WAYS AND MEANS 2011-2012

Our Ways and Means Program is a vital fundraiser for our organization. Monies raised through the various projects help us pay for things like insurances, postage, printing, supplies, salaries and employer taxes.

Our 2012 Nationale Chairman Jackie Davis and Co-Chairman Cheryl Boswell, both from Georgia are off and running with plans for the coming year. Locale and Grande Correspondantes will receive information about the projects and are encouraged to share the information and to encourage all members to support the fundraisers. Our chairmen have set a loft goal to raise \$10,000.00 by the conclusion of Rendezvous Nationale 2012 and they'll need help from all members to achieve this goal.

Currently, Jackie and Cheryl are planning to hold a "grab bag sale" and Silent Auction at Rendezvous Nationale in September 2012. They'll be looking for donations for the auction and they hope that many Cabanes will make and donate grab bags. There will be a couple of raffles during the year with the winners drawn at Nationale. If you can donate a high value item for raffle, please contact Jackie or Cheryl by calling Cabane Nationale 317-639-1879 or email femmes@fortyandeight.org
