Office Hours

Monday – Thursday

Happy New Year Dames,

I hope that everyone had a wonderful Christmas, and your new year is off to a fabulous start! As of December 28th we are at 71.34% and your 2023 dues cards have expired as of December 31<sup>st</sup> 2023. Please get your renewals in, so we can meet our 100% membership.

December sprinted by I had the opportunity to attend Cabane 1536 annual Christmas party which collects items for the Holiday depot. It was a festive afternoon with the Dames of 1536, nice to see a couple new faces and have the opportunity to visit new made friends and catch up with friends I have not seen in a couple of months. Thank you to Suz Burger who took the trip with me which made the drive so much more enjoyable.

December 9<sup>th</sup>. I attended Cabane 946 annual champagne breakfast, where I believe a good time was had by all who attended. I enjoyed getting to chat with Cheryl and Joe Jamnick, Carrie and Lonnie Haynes along with Lori and Jim Coe and so many more. This breakfast is a fundraiser for one of my favorite events the Past Chef, Silver Key dinner, which is a dinner put on to appreciate the *passé* Chef's, *passé* Presidente's and the Silver Key ladies. Silver Key ladies are the widows of past voyageurs, for their love and support of their veteran through times of service and after.

On to more official travel in January, I am headed to Indiana, and I am excited to catch up there, more to follow in the next chatter article. My homecoming is set for May 9-11<sup>th</sup> at the Best Western in Okemos, Michigan. I will have a flyer out in the next couple of weeks with all the details.

On a personal note, if you have sent me an email and have not received a reply if you could please send it again to [bolley.lori@gmail.com](mailto:bolley.lori@gmail.com). I have been having some email issues, so the before mentioned email will be my new email. Thank you for your patience and understanding while I am trying to resolve the issue.

I hope all of you have a wonderful January and begin your new year with good health, safe travels, and a year full of new memories.

Happy New Year!

Yours in Service,

Lori A. Bolley

## Louise Canellos – Aid to Voiture Chairman

Aid to Voiture includes all of the programs that the Dames and Cabane work to support their Voiture's and their programs.

This year we have a new trophy it is Box Car the information is on the website.

Aid to Voiture is an overall program. If it is Voiture sponsored program it can be counted. Please do not count work for other organizations.

I ask that the Locale Aid to Voiture Chairman go online to [fortyandeight.org](http://fortyandeight.org), under La Femmes go to Trophy and Awards.

Read and save the [General Reporting Information](#) and the [Trophy and Awards Guide Lines](#). Then get together with the other Chairmen in the Cabane. You will need their reports to be included on your report. Remind them when filling out the report to ask is this a Voiture sponsored program, if not don't count it.

Remember to make sure to **check your math**, not just once, but twice or more.

It is very important that you have your Presidente and Correspondante signature and information on your report, and you **MUST** have verification from one of your Voiture Officers, without these signatures your report cannot be counted.

If you have any questions or need help you can contact me. My telephone number is (309) 525-2167, you can call or text me. My email is [canellos@kewanee.com](mailto:canellos@kewanee.com), Please put Aid to Voiture in the subject line of your email.

I would like to say Thank You to everyone who took their time to fill out their Cabane reports last year.

## Gena Keller – Box Car

Happy 2024 to all! As we embark on this new year, let us reflect on the significance of the Box Car and its connection to the Merci Train. 2024 marks the 75th Anniversary of the Merci Train, a momentous occasion that deserves our utmost celebration and reverence. I am sure many are in the pre-planning stages, collaborating with numerous Grandes and Voiture Locales, to ensure that this milestone is commemorated in a truly grand manner.

For those of you hosting a Valentine's Party, why not take this opportunity to showcase the inspiring and heartwarming history of the Merci Car? Perhaps you have one of these remarkable artifacts in your state or Grande. For example, the South Dakota Box Car, which proudly resides at the Huron State Fair Grounds. It serves as a tangible reminder of the generosity and gratitude expressed by the French people after World War II.

To support this noble cause, you can participate in emblem sales, where you will find an array of delightful goodies to choose from. Alternatively, let your creativity soar and design your own unique design to showcase the importance of the Merci Car. Every dollar that goes towards the Box Car is distributed throughout the year, with no funds ever held over. This ensures that the spirit of giving and gratitude, symbolized by the Merci Train, continues to touch the lives of those in need.

As we unite in celebration of the 75th Anniversary of the Merci Train, let us remember the bravery and sacrifice of our veterans, as well as the importance of honoring those who have served this country. I invite you to join us in this momentous occasion, as we collectively pay tribute to an extraordinary piece of history that reminds us of the power of gratitude, unity, and compassion. Happy 2024!

Nationale Contacts for the Box Car they are, Paul Emmert, Sr, [pjemmertsr@comcast.net](mailto:pjemmertsr@comcast.net) or Virgil Blum, Sec/Treasurer, [Virg4huskers@yahoo.com](mailto:Virg4huskers@yahoo.com)

Be sure to send in your photos and ideas to share.

We ARE family,

Gena Keller

## **Laura Blue – Carville Star Chairman**

What an exciting chairmanship to take on this year! I am so glad that I have some very good resources to guide me along. There are two things that have really help educate all of us, that are looking for more education on this very important program that centers around Hansen's Disease otherwise known as Leprosy.

There is a book written, "Carville's Cures" that helps dispel a lot of the myths that date back to biblical years and gives a great understanding of modern-day ways that further our education. It's a great read and the 40&8 is also mentioned several times in the writings.

The Carville Star Committee and the Nationale Chairman of the committee, for the Voyageur, Tom Adams has been very kind including the La Femmes, in their every other month, zoom meetings. They all are willing to ask for my input and ideas to help the program.

If your Cabane is looking for a way to boost the funds to help, for a great program, you can always purchase a Carville Star pin from the committee and have a bauble to show off this wonderful program.

You as a member of the 40&8 are welcome to purchase a subscription to the "Star" newsletter for \$2.00, which is published twice yearly. Addition donations are greatly welcome.

You can consider having fundraisers and consider buying a clinic, state or country, it only requires a \$50.00 donation. Make a donation from your Locale Cabane or Grande straight to the Museum.

You may go to the Voyageur's website of: [www.fortyandeight.org](http://www.fortyandeight.org) then click on Programs: Carville Star for the forms and address information.

If you have any questions, please feel free to contact me at (763) 742-5593 or email me at [bluetatto1@hotmail.com](mailto:bluetatto1@hotmail.com)

## **Cindy Hickey—Nurses Training Chairman**

Dames for those of you, who don't know me my name is Cindy Hickey and I am the Chairman of Nurses Training. I hail from the state of North Carolina.

I wanted to show you a picture of the Nurses Training Program Pin and let you know that Dames can purchase these pins, if you desire. I have had calls asking if the Dames can purchase and wear them, because they do include the La Femme emblem you can wear these pins. You have a few ways to purchase these pins, from your, Locale, Grande or on consignment from the secretary/ treasurer of the program, Ralph Turner. Ralph can be reached at [ralph.n.turner@hotmail.com](mailto:ralph.n.turner@hotmail.com). Obviously, the best way to get a pin is from your own Voyageur's.

The reason I am letting you know is so that you can promote the Nurses Training Program with the sale of pins and also, they only have about eight hundred (800) pins remaining for the whole organizations.

Please remember any thing you do for Nurses Training, throughout the year keep a note book at your Rendezvous so monthly you can record your activities, so that when it comes time to do reports all the information will be right at your fingertips.

If you have any thought or questions, please feel free to call me at (617) 230-1109 or email me at [cynhickey@aol.com](mailto:cynhickey@aol.com). We all need to help to promote the Nurses Training Program, at the Locale, Grande, and Nationale for scholarships due to the shortage of Nurse in our Country.
