Cabane Chatter

Greetings Dames,

I hope this finds you all in good health and enjoying life! It has been a quiet month for me, recovering from a long overdue surgery has kept me from doing all the things I would like to have done. Now on the road of recovery I am very much looking forward to Spring and all the new adventures this year will bring. First and foremost, I am excited and looking forward to attending the Chef de Chemin de Fer, Frank Campo's homecoming and I look forward to seeing you there!

Membership is moving in the right direction we are currently sitting at 91.47% as of February 29, 2024. Although we are a little behind from our standings last year, I am positive that we will make 100% membership this year. Our La Sous Presidente's have been working hard and doing a wonderful job and I know your Locale membership chairman are doing their part as well. Membership is the foundation for our organization to fulfill all the wonderful programs that we have as without our members we have no one to do all the fabulous work that all of you contribute to.

Congratulations to all the Cabanes that have met or exceeded 100% thus far. We have fifty-five (55) Cabanes at 100%, eighteen (18) of those Cabanes have exceeded 100%. Currently we have three (3) Cabanes at zero percent. I wish there was a simple answer for membership, this will always be a task we must do for the survival of our organization. We have lost many over the years but in recent years we have gained new Dames and are slowly growing. Currently we have one hundred forty-five (145) renewals outstanding which I would love to see renewed although I know we have lost some sister Dames this year so that is not attainable. We also have one hundred seventeen (117) new Dames this year, which is fantastic! If we could get one hundred fifty (150) renewals, we would be just over one hundred percent in membership, a little growth every year and we are growing.

If you have any suggestions or tips that work for your Locale in getting your membership renewals in, I would love to hear them, every idea is helpful and appreciated. If you have not made a phone call to your Dames who have not renewed, make the call reach out maybe they are going through something, and your call is just what they need to remember that we are family, and we are here. Sometimes it is the smallest gesture of kindness that gets us through the day. Everyone has family and every Dame has chosen this organization as an additional family so make sure they know we are still here.

Again, I say I am here for you, I am just a call, email, or text away, always. This I will say repeatedly, and this includes all the years to come even when my year in service is over, as when I joined, I chose all of you as my family! You are all unique, everyone of you brings something awesome to this organization and to me. I look forward to seeing you somewhere along the way in my travels throughout this year and years to come. May you stay safe, happy, and healthy. Safe travels this year and have a happy Spring! Do not forget to stop and smell the flowers, watch a sunset or sunrise, and remember what a wonderful life it is!

For the Good of La Société de Femme,

Lori Bolley – La Presidente Nationale 2023-2024

Gena Keller – VAVS Liaison

VAVS, or Veterans Affairs Voluntary Service, plays a crucial role in supporting and assisting veterans. The importance of volunteering through VAVS is evident in the meaningful interactions' volunteers have with veterans. Each moment spent as a volunteer allows individuals to understand the significance of their service. Whether it is providing comfort, assistance, or simply visiting with hospitalized veterans, volunteers become invaluable assets to both the veterans and the Department of Veterans Affairs. By actively participating in the VAVS program, organizations like the Forty & Eight show their dedication and commitment to making a positive impact on the lives of veterans.

In addition to the regular support provided by VAVS volunteers, the Forty & Eight has implemented a program known as "Keep Those Wheelchairs Rolling" to further assist veterans. Through this program, VAVS Representatives or Deputy Representatives identify specific needs of hospitalized veterans, ranging from projects to equipment and comfort items. The submissions are carefully evaluated based on the benefit they would bring to the patients, and selected needs are fulfilled courtesy of the National Box Car Association. The implementation of such programs demonstrates the commitment to improving the quality of life for veterans and the recognition that their needs extend beyond medical care.

Furthermore, submitting volunteer hours is not just about meeting a requirement; it is about the impact made on the lives of veterans. The value lies in the personal connections formed and the stories shared during the volunteer interactions. By submitting hours, volunteers acknowledge the significance of their service and contribute to creating a sense of unity and support within the volunteer community. Each hour spent with a veteran, listening to their experiences, and helping them on their journey, is truly priceless.

As we approach spring, start calculating the hours you have volunteered, get them submitted.

Thank you, for caring for our Nations Heros

Gena Keller – VAVS Liaison

Greetings fellow VAVS Volunteers and Enthusiasts!

As we welcome the month of March, I would like to take a moment to acknowledge and celebrate Women's History Month. It is a time to honor the countless women who have fearlessly served our nation in the military. Look around your Cabane and Grande, your family, and your community, and you will surely find inspiring women who have dedicated their lives to serving our country. These women deserve our utmost appreciation and gratitude for their unwavering commitment and sacrifice.

Women throughout history have played an invaluable role in all conflicts and wars, displaying strength, honor, and an unwavering sense of duty. Their service, whether on the front lines or in supporting roles, has been vital to the success and well-being of our armed forces. It is important that we acknowledge and thank these remarkable women for their contributions, as they have paved the way for future generations of female service members.

Their stories are filled with courage, resilience, and a remarkable character that exemplifies the very best of our nation. These women have broken barriers, shattered stereotypes, and proven time and time again that gender is not a limitation in the pursuit of serving our country. They have shown us that through dedication, determination, and unwavering bravery, women can achieve greatness in any field, including the military.

So, let us all take a moment to reflect on the immense contributions of these women who served in service strong, honorable, and full of character. Let us express our gratitude and admiration to these extraordinary individuals for their selflessness, patriotism, and unwavering commitment. May we never forget their sacrifices and may we continue to support and honor the women who serve our great nation.

Thank you to all the women who have served, and continue to serve, in our armed forces. Your dedication and bravery are an inspiration to us all. To all the 40&8er's and La Femmes who served, thank you! I am happy to assist in your VAVS goals!

Sincerely, Gena K. Keller – VAVS La Femme Liaison
