The **National Box Car Association** was founded in 1965 as an affiliate of "La Société' de Forty & Eight," with the primary purpose of preserving the Box Car as the symbol of the Forty & Eight. The National Box Car Association set goals of making contributions to Hospitals, Children's Homes and Orphanages. Other donations go to the National Boland Nurses Training Trust Fund, the Charles Ardery Child Welfare Trust Fund, and other programs requiring assistance. All funding raised by the NBCA is distributed in the same year it is raised.

The primary source of fundraising is through sale of pins, Crew & Associate Cards, patches, Train Whistles, and Box Car Coins each year. Other fund-raisers may include raffles, bake sales, white elephant sales, and silent auctions. All fund-raisers may be included in this report as long as the funds were donated to the Box Car Program. All Hours traveled to any Box Car event you participate in and work are to count at \$10.00 per hour. Attendance only does not count. You must work. (If you drive to an event and do not work, please do not count your travel time.) Also include all hours worked on computers and phone calls, letter writing, etc. This is also logged at \$10.00 per hour. Travels are logged at \$1.00 per mile for events you attend and work, not attend only. For the cost of supplies, calculate at receipt value; postage, printing materials, supplies, etc.
